

Wamba Community Trust

February 2019

I had a very productive trip to Wamba in January 2019 and some of the highlighted included:-

- A visit to see Jeremia in his new home and school where it was great to see him looking so healthy and happy.
- I was lucky enough to be in Wamba for the annual cross country event and it was good to see so many girls and women competing.
- Thanks to my wonderful friend Cat, I was able to take a suitcase full of pre-school books she collected and give them to Ruby Pre-School who were delighted with them.
- I took Stella, one of the girls we support to hospital to see if she can have her hand operated on to straighten it out. Hopefully this will happen later in the year.
- Enrolled 4 girls on a computer course at Eclipse College in Wamba where I have been invited to become their Chancellor!
- Had meetings to finalise our HIV/AIDS awareness project for young people that will happen this year.
- Met with the Chief and Assistant Chief of Wamba to discuss our projects and how we can work together to monitor projects and identify new ones.
- Visited Ntepes Pre and Primary School and it was great to see their newly renovated kitchen which we funded last year in full use, serving up over 800 meals for the students.
- Visited the Wamba Girls Secondary School students we support and bought them reading books they need for their studies.
- Provided football kits to two Wamba teams courtesy of KitAid
